Philly, we've got your back. (And the rest of you.)

For nearly 90 years, Independence Blue Cross (IBX) has been caring for the people in the Philadelphia area. Caring is a choice. It's one we make every day.

We live here, work here, raise our families here, and understand how important it is to have health coverage you can count on. We're here to make health care feel a little easier with plans, tools, and support designed around real life.

When you choose IBX, you get:

- The largest network of doctors and hospitals in the region with every plan
- Affordable, convenient ways to get care
- Support for your body, mind, and everyday well-being

The region's leading health plan — #1 in trust, choice, and member recommendation.[1]

Your payment options

We're here to make things easier, including how you pay your bill. Choose the option that works best for you. You must pay your first month's premium before your coverage goes into effect, and you must make monthly premium payments for your coverage to continue.

Note: With any of these payment options, you'll need to make separate payments for each plan you purchase (medical, dental, vision).

LEARN MORE

Scan the QR code or visit **ibx.com/payment** for more detailed instructions about each payment option.

Pay by Text

Pay your premium in seconds from your smartphone. You'll also get a text alert before your due date if you haven't paid yet. Simply reply to the message to securely complete your payment — no need to log in. There's no cost to enroll (standard message and data rates may apply), and you can opt out at any time.

eBill

Skip paper bills and pay online with eBill instead. Starting up to 15 days before your coverage begins, you can log in at **ibx.com** to view your bill, make a one-time payment, or set up recurring payments.

Check or money order

You can mail a check or money order to pay your first month's premium. To make ongoing payments by check, you will receive a bill each month before your payment is due.

By phone

To make a payment using our automated system, call **1-888-879-4891 (TTY: 711)**. You can provide your bank account information or use a prepaid debit card. There are no fees for this service.

In person at Independence LIVE

To make a payment in person, visit Independence LIVE at 1919 Market Street, 2nd floor, Philadelphia PA, 19103. Monday – Friday, 8 a.m. – 4 p.m.

Health plans that fit your life

No matter where you are in life, there's an IBX health plan designed to help you get health care that fits your needs, your budget, and your day-to-day life.

All IBX individual and family health plans cover the same basic services, including doctor visits, hospital stays, prescription drugs, blood tests, X-rays, preventive care, and more. You also get 24/7 non-emergency virtual care through Teladoc Health (Teladoc) for a $0 copay.

Our provider network makes finding care easier. You have access to the largest network of doctors and hospitals in the region, so there's a good chance your providers are included. The network also offers a wide variety of high-quality behavioral health providers, with options for in-person and virtual care. Read more on page 15.

The most trusted company with access to the care you want.[1]

1 Based on the 2025 Blue Cross Blue Shield Association Brand Strength Measure Study

60,000+ in-network doctors

180+ in-network hospitals

65,000+ in-network pharmacies (Standard Rx network)

$0 copay for virtual visits from Teladoc

Meet our health plans

Health insurance can feel complicated, but comparing plans gets easier when you know what to look for.

LEARN MORE

You can see all the plans available on pages 18 – 69.

You can choose from the Gold, Silver, and Bronze plan levels. We also offer a Catastrophic health plan for those who are younger than 30 or qualify for an exemption. In general, plans with lower monthly premiums have higher costs when you get care. These plans may be a good fit if you don't expect to use many health care services.

	Gold	Silver	Bronze
Monthly premium	$$$	$$	$
Out-of-pocket costs	$	$$	$$$
Good option if you …	Plan to use a lot of health care services	See doctors and specialists occasionally	Don't plan to use a lot of health care services

As you compare, focus on these factors:

- **Your monthly premium**
  What you pay each month for your health plan
- **Your deductible**
  What you pay for certain services before your plan starts to pay (some plans and services don't have a deductible)
- **What you pay when you get care**
  Your copays, coinsurance, and other out-of-pocket costs

Our most popular plans: Keystone HMO Proactive

Keystone HMO Proactive plans give you more control over your costs, while still giving you access to the full IBX network. These plans use a tiered network, which means some doctors and hospitals cost less than others. To save the most, choose Tier 1 – Preferred providers.

Tier 1 includes more than 50% of in-network doctors

$	Tier 1 – Preferred
$$	Tier 2 – Enhanced
$$$	Tier 3 – Standard

With a Keystone HMO Proactive plan:

- You will select a primary care physician (PCP) to coordinate your care and refer you to specialists.
- Your PCP will issue referrals to visit an in-network doctor or other provider (no referrals needed for OB/GYN, mammograms, mental health, or emergency care).
- You can use Tier 1 providers for some covered services and Tiers 2 or 3 for others.
- Services like preventive care, emergency room visits,[1] and urgent care cost the same across all tiers.

Scan the QR code for a list of in-network hospitals by tier. To search for an in-network doctor or specialist and see their tier, visit **ibx.com/providerfinder.**

Note: To see a provider's tier, you'll need to select *Keystone HMO Proactive* from the list of plans in the upper right corner of the screen.

1 If you are admitted to an in-network hospital from the emergency room, the cost-sharing for inpatient hospital care, including medical care provided by an in-network professional provider, will apply based on the tier of the in-network hospital or in-network professional provider.

If you are admitted to an out-of-network hospital following an emergency room admission, the Tier 3 – Standard level of benefits will apply. For non-emergency care, you must use in-network providers.

Benefits and tools that make getting care easier

IBX health plans include helpful benefits and tools that make it easier to manage your health, lower your costs, and get health care when and where you need it.

Care that fits your schedule

Taking care of your health is easier when you have options that fit into your life. Virtual care makes taking care of yourself more convenient and affordable.

Virtual care saves time and money

Virtual care benefits are included in all IBX health plans. Many in-network providers offer virtual visits, and you'll pay less than you would for an office visit. You'll pay $0 for virtual behavioral health visits. These lower costs apply when you use in-network providers who offer virtual visits.

$0 Virtual Primary Care plans

Primary care should be easy to keep up with, even when life is busy. Some plans include **$0 Virtual Primary Care** from Teladoc. With these plans, you can choose a board-certified Teladoc doctor as your virtual primary care doctor and meet by phone or video.

Your virtual PCP can help with:

- Annual checkups and well visits
- Time to talk about your health history, concerns, and care needs
- A care plan personalized to your health goals
- Referrals, prescriptions, and lab orders, when needed

Our Virtual Primary Care Plans make your PCP accessible from almost anywhere, so they're a great option if you travel often or attend school away from home.

$0 Virtual Primary Care plans:

- EPO Gold Preferred Virtual Care
- EPO Silver Classic Virtual Care ON
- EPO Silver Basic Virtual Care OFF
- EPO Bronze Virtual Care

Get virtual care anytime, anywhere with Teladoc

With all IBX plans, you can use Teladoc for **$0 non-emergency virtual visits**, 24/7. Talk with a board-certified, state-licensed doctor by phone or video without long wait times or added costs. Teladoc also offers interpreter services in several languages, including American Sign Language (ASL).

You can use $0 virtual Teladoc visits for:

General medical care

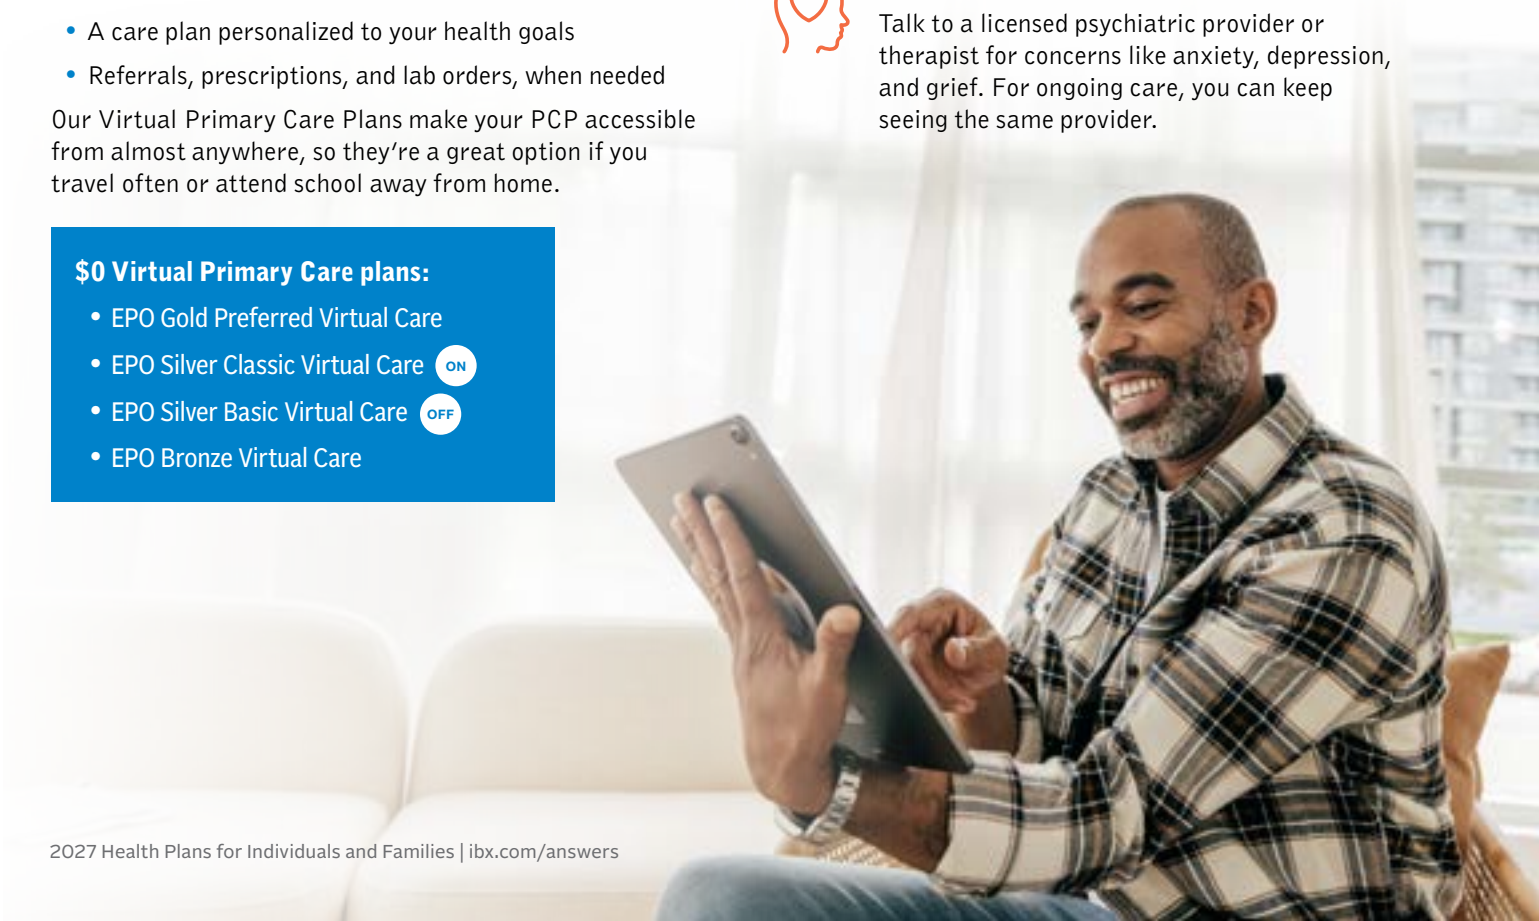

Use for common, non-emergency health concerns such as sinus pain, flu, pink eye, and sore throat. Get a diagnosis and prescription, if needed.

Dermatology care

Get care from a dermatologist for a wide range of skin concerns. You'll complete a short form, upload images, and get a treatment plan and prescription, if needed.

Mental health care

Talk to a licensed psychiatric provider or therapist for concerns like anxiety, depression, and grief. For ongoing care, you can keep seeing the same provider.

Prescription drug coverage

Every IBX health plan includes prescription drug coverage, plus tools and programs that can help you find lower-cost options and easily manage your medications.

Lower-cost options

We're helping members save money on prescriptions.

- **Save with generics.** You'll pay less when your doctor prescribes generic and lower-cost brand alternatives.
- **Cost estimators.** Our digital tools make it easy for you to estimate costs. And your doctor can see medication costs while they're choosing one to prescribe for you.
- **Price Edge program.** For many non-specialty generic drugs, you'll automatically pay the best price available at the pharmacy, whether that is through market discounts or your plan's cost-sharing.

Convenient mail order/home delivery

For medications you take regularly, mail order/home delivery is available with free shipping. For most medications, you'll pay less for a 90-day supply when using mail order/home delivery. You can also get a 90-day supply of your maintenance medications at CVS pharmacies for the same cost-sharing as mail order/home delivery.

Easy-to-use digital tools

Log in at **ibx.com** or use the IBX app to find an in-network pharmacy, estimate drug costs, review claims, submit requests for mail order/home delivery, and more.

Savings on specialty drugs

Our program for self-administered specialty drugs offers convenient delivery options, support, and resources if you are managing conditions like cancer, hemophilia, hepatitis C, HIV/AIDS, rheumatoid arthritis, and multiple sclerosis. Experienced pharmacists and nurses are also available by phone or video for counseling.

5-tier Value Formulary

$	Low-cost generic
$$	Generic
$$$	Brand-name (Preferred brand)
$$$$	Brand-name and generic (Non-preferred)
$$$$$	Self-administered specialty drug

How an HSA can help you save

A health savings account (HSA) lets you set aside money for eligible health care costs. If you enroll in a Bronze or Catastrophic plan, you can use an HSA to save money now for care you need later.

You can use HSA funds for qualified expenses like doctor visits, prescriptions, dental care, and vision care. The money rolls over from year to year, and the account stays with you even if you change health plans later.

What are the advantages of using an HSA?

- Save money tax-free[1]
- Use HSA funds tax-free for qualified health care expenses
- Earn tax-free interest or investment income on HSA funds[2]
- Keep unused money, even if your coverage changes

Who can open an HSA?

All Bronze and Catastrophic plans are HSA-compatible. If you enroll in one of these plans, you can open an HSA.

Our EPO Bronze Reserve plan includes an HSA. If you enroll in this plan, you'll just need to log in at **ibx.com** and complete your HSA enrollment to get started.

Example: Let's say you contribute $2,000 to your HSA and spend $1,000 on qualified health expenses every year for 10 years. Your savings grow over time.

At the end of year 10:

Estimated tax savings	Estimated HSA balance
$5,000	$11,169

The example is for illustrative purposes only. The HSA example assumes a 22% tax bracket,3% state taxes, and that the investment choices yield a return of 2%. Please consult with your tax advisor about your situation. Return on investment is not guaranteed

1 For 2027, contributions to an HSA may not exceed $4,500 for individual (self only) coverage and $9,000 for family coverage. The annual "catch-up" contribution amount for ages 55 and older is $1,000.

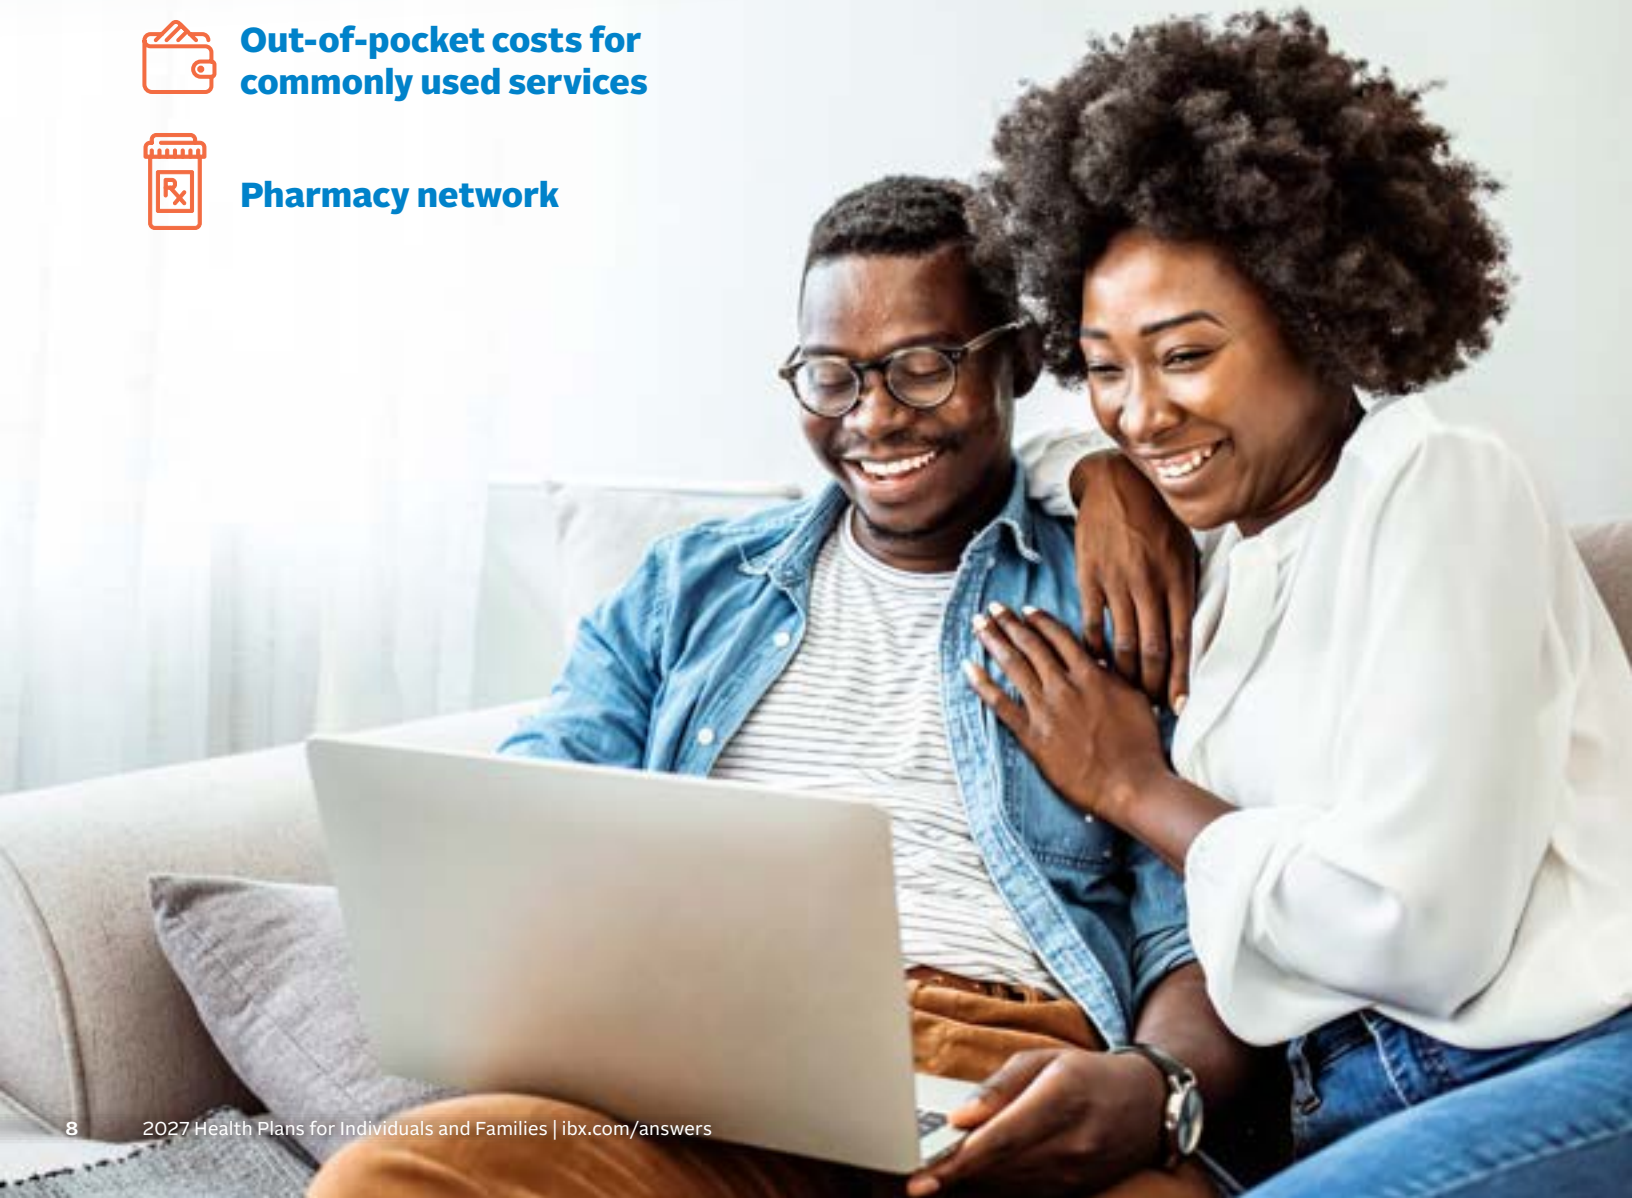

2 Investment accounts are optional; monthly fees apply. Investment fees are omitted from the example above. The balance in the HSA Investment Account is subject to investment risks, including fluctuations in value and the possible loss of the principal amount invested.

Compare your options with confidence

Choosing a plan is easier when you can see your options side by side. The next several pages give you a quick look at our Gold, Silver, and Bronze plans, so you can easily compare your options and what matters most to you, including:

- **Network coverage**
- **Deductibles**
- **Out-of-pocket costs for commonly used services**
- **Pharmacy network**

OFF This plan can only be purchased through IBX directly and is not available on Pennie.

ON This plan is only available for purchase through Pennie.

Note: All health plans include pediatric dental and vision coverage for individuals younger than 19.

Who can open a health savings account (HSA)?

All Bronze and Catastrophic plans are HSA-compatible. If you enroll in one of these plans, you can open an HSA.

Our EPO Bronze Reserve plan includes an HSA. If you enroll in this plan, you'll just need to log in at **ibx.com** and complete your HSA enrollment to get started.

See more on page 7.

Coverage beyond your health plan

Dental and vision coverage can help you stay on top of routine care, catch issues early, and avoid unexpected costs. Our dental and vision plans are available for adults ages 19 and older and families with children up to age 26.

Note: Medical plans include pediatric dental and vision coverage for members younger than 19.

Dental plans

- **Large dental network.** You have access to one of the largest regional and national dental networks, with more than 500,000 access points.
- **Flexibility to see any dentist.** You'll maximize your savings by using an in-network dentist, but you have the option to see any dentist without a referral.
- **No waiting periods.** Begin using your benefits immediately for preventive care and certain basic services like fillings and extractions.
- **Preventive rewards program.** The primary subscriber can get $20 for themselves and each covered dependent who has two cleanings from an in-network dentist during the plan year.
- **Savings incentive for preventive care.** Preventive services don't count against your annual maximum, so you can use that coverage for more expensive services.

Vision plans

- **A network that goes the distance.** The national Davis Vision network has 222,000 access points, including Visionworks, Target Optical, Pearle Vision, Warby Parker, and LensCrafters.[1]
- **Fully covered annual exams.**[2] You'll pay $0 for in-network annual routine eye exams and contact lens evaluations and fittings.
- **Affordable frames and lenses.** Choose from stylish designer frames in the Davis Vision Exclusive Collection. Or use your benefit allowance on non-Collection frames or contact lenses from an in-network provider.
- **Fixed fee pricing on cosmetic lenses.** Choose from a wide variety of state-of-the-art lenses and styles.
- **Discounts on other services.** Save on hearing exams and hearing aid technology from Your Hearing Network, as well as on services like LASIK laser eye correction.

See pages 71 – 76 for more details about the dental and vision plans we offer.

1 Warby Parker, Target Optical, LensCrafters, and Pearle Vision are out-of-network for pediatric members in ACA medical plans. These providers are in-network for pediatric members when you purchase a stand-alone family vision plan.

2 There is a 30-day waiting period for all new vision plan contracts.

Vision plans are administered by Davis Vision, an independent company.

Dental plans are underwritten by QCC Insurance Company.

Your Hearing Network products and services are made available through your coverage with Davis Vision. Your Hearing Network is not affiliated with Independence Blue Cross and does not provide Blue Cross or Blue Shield products or services. Your Hearing Network and/or Davis Vision are responsible for these products and services.

LASIK laser eye correction is made available through your coverage with Davis Vision.

Plan for the unexpected with LifeSecure

After an accident, serious illness, or hospital stay, your focus should be on healing, not worrying about your finances. LifeSecure insurance plans can help with costs like:

- Lost income
- Medical deductibles
- Out-of-network office visits
- Transportation to appointments
- Uncovered treatments
- Childcare
- Household upkeep

Support that helps you feel your best

Staying healthy is about more than doctor visits and prescriptions. It's also about having support you can count on — for your body, mind, and everyday moments that affect your well-being. With IBX, you're never on your own.

- **24/7 health support** from Registered Nurse Health Coaches
- **Behavioral health care navigation** for personalized guidance and scheduling
- **On-demand digital tools** for mental health and well-being
- **Enhanced member website and IBX app** for anytime access to your benefits
- **Money in your pocket** for making healthy choices
- **Member-exclusive discounts** on products and services

Not just access to care. Humans who care.

For questions about your benefits, our knowledgeable Customer Service representatives are ready to help. And when you need guidance related to your health, we're here for you with specialized support and resources.

Talk to a Registered Nurse

You can call a Registered Nurse Health Coach 24/7 with health questions, big or small. This service is confidential, and there is no cost to you. Your Health Coach can help you understand your treatment plan, manage your health, and feel more confident in your decisions. Maternity support is also available for expecting members, both during and after pregnancy.

Get help finding behavioral health care

Mental health matters just as much as physical health. If you're looking for behavioral health care, IBX offers a wide network of providers and personal support to help you find care that feels right for you.

Our Behavioral Health Care Navigation team can help you take the next step. Our team can:

- Match you with an in-network provider
- Provide in-the-moment support for tough times or crisis
- Schedule an appointment for you (in-person or virtual)
- Identify urgent or escalating conditions

Find care sooner

The behavioral health providers in the Connect to Care℠ network are committed to getting our members into care fast. We can schedule an appointment for you in as quickly as 1 – 2 days.

- 21,000+ appointments per month available for our members
- For general mental health, substance use disorders, OCD, eating disorders, and more
- In-person and virtual appointments available
- Providers available for all ages: Children, adolescents, and adults

Strengthen your mental health

Take care of your mental health daily with Self Care from Spring Health. Members have free access to their on-demand resources through their website or mobile app, including short videos and exercises, longer programs for deeper challenges, and resources for neurodivergent individuals and their families.

Navigate autism care with confidence

If your child or family member is being evaluated for autism or has a new diagnosis, you don't have to figure it out alone. A dedicated Autism Care Navigator can help answer questions, coordinate care, and connect your family with community support and resources.

Ways your plan can do more for you

Your health plan comes with extras to help you stay healthy, save money, and manage your benefits and care.

Rewards for your healthy choices[1]

Healthy choices can add up — for your health and your wallet! With our new Healthy Lifestyles Rewards program, you can **earn reward dollars on a** Visa® card when you complete eligible activities, including:

- 120 days of validated physical activity (earn up to $300)
- An approved weight management program (earn up to $300)
- A tobacco cessation program (earn up to $150)

Discounts on health and fun[1]

Your IBX membership can help you save beyond the doctor's office. Get member-exclusive discounts on health-related products and services (including hearing services, fitness gear, gym memberships), travel, entertainment, attractions, and more.

Savings on medical costs[1]

You can save up to 13% on deductibles, copays, and coinsurance when you sign up for AblePay and use an AblePay provider. AblePay also offers flexible payment plans for up to 12 months, all with 0% interest. There is no cost to sign up.

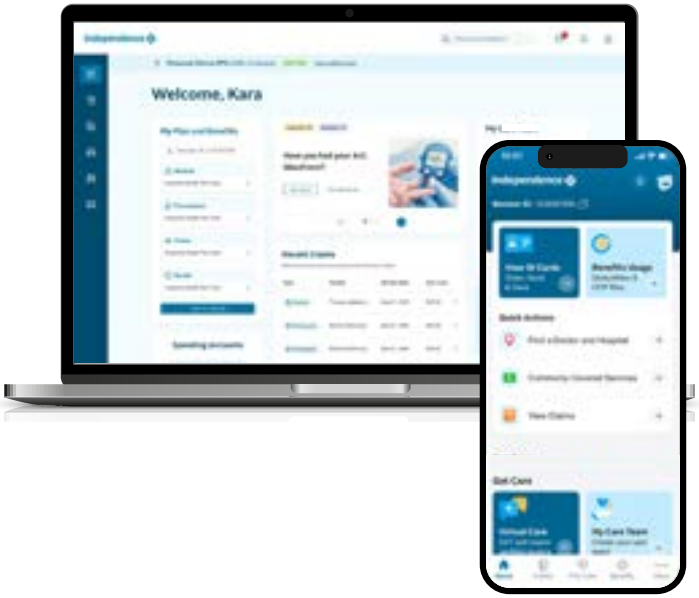

Lowering the cost of college

The College Tuition Benefit works like a scholarship and can reduce college costs by up to 25%. You earn SAGE Scholars Tuition Rewards® Points that are spread evenly over four years of undergraduate education at more than 450 participating colleges and universities. You can sponsor immediate or extended family members.

Easy-to-use digital tools

When you need information, you shouldn't have to search for long. Our secure member website and IBX app make it easier to manage your plan and find the information you need — all in one place. You can:

- View coverage, benefits, and claims
- Estimate out-of-pocket costs
- Create a custom directory of your doctors
- View, share, or order ID cards
- Request or manage home delivery for a prescription
- Pay your bill
- Search for in-network providers, read reviews, and schedule appointments

1 This is a value-added program or service and not a benefit under the health plan you purchased. Program can be changed or canceled at any time.

The Tuition Rewards program is provided by The College Tuition Benefit, an independent company. Neither The College Tuition Benefit nor SAGE Scholars, Inc. provides Blue Cross or Blue Shield products or services.

AblePay is an independent company that does not offer Blue Cross or Blue Shield products. Independence Blue Cross is acting solely as an agent for AblePay. AblePay is solely responsible.

2027 Standard Plans

Everyone's health care needs are different. That's why we offer a variety of health plans, so you can choose the coverage that's right for you.

Most of our plans can be purchased either directly through IBX or using Pennie®, Pennsylvania's official health insurance marketplace. If you qualify for financial assistance, you'll need to enroll through Pennie to receive those savings.

A small number of plans are only available through one enrollment option. Look for the indicators below to see where each plan can be purchased.

Enroll through IBX
This plan is available directly from IBX and cannot be purchased through Pennie.

Dental plans

Taking care of your smile is an important part of taking care of your health. Stand-alone dental plans are available for adults and families.

Learn more about our dental plans

Here are the comprehensive benefits you can expect from Independence Blue Cross (IBX) dental plans.

A network that goes the distance

You have access to one of the largest dental networks in the region and a national network with more than 500,000 access points.

Flexibility to see any dentist you want

With our PPO dental plans, you'll maximize your savings using an in-network dentist, but you can see any dentist you want without a referral. Our EPO dental plan includes in-network coverage only.

Full coverage on most preventive and diagnostic services

Fully covered services include routine exams, cleanings, and X-rays. You pay $0 cost-sharing with an in-network provider.*

Waivers for waiting periods

If you had creditable dental coverage with another carrier, you may be able to skip the waiting period. We'll need you to complete a quick form to confirm your eligibility.†

Note: Pediatric dental coverage is included in all IBX individual and family medical plans.

Coverage for most basic and major services

There's no waiting period for preventive care and certain basic services like fillings and extractions. Review the benefits for each plan to see how major services are covered and if waiting periods apply.

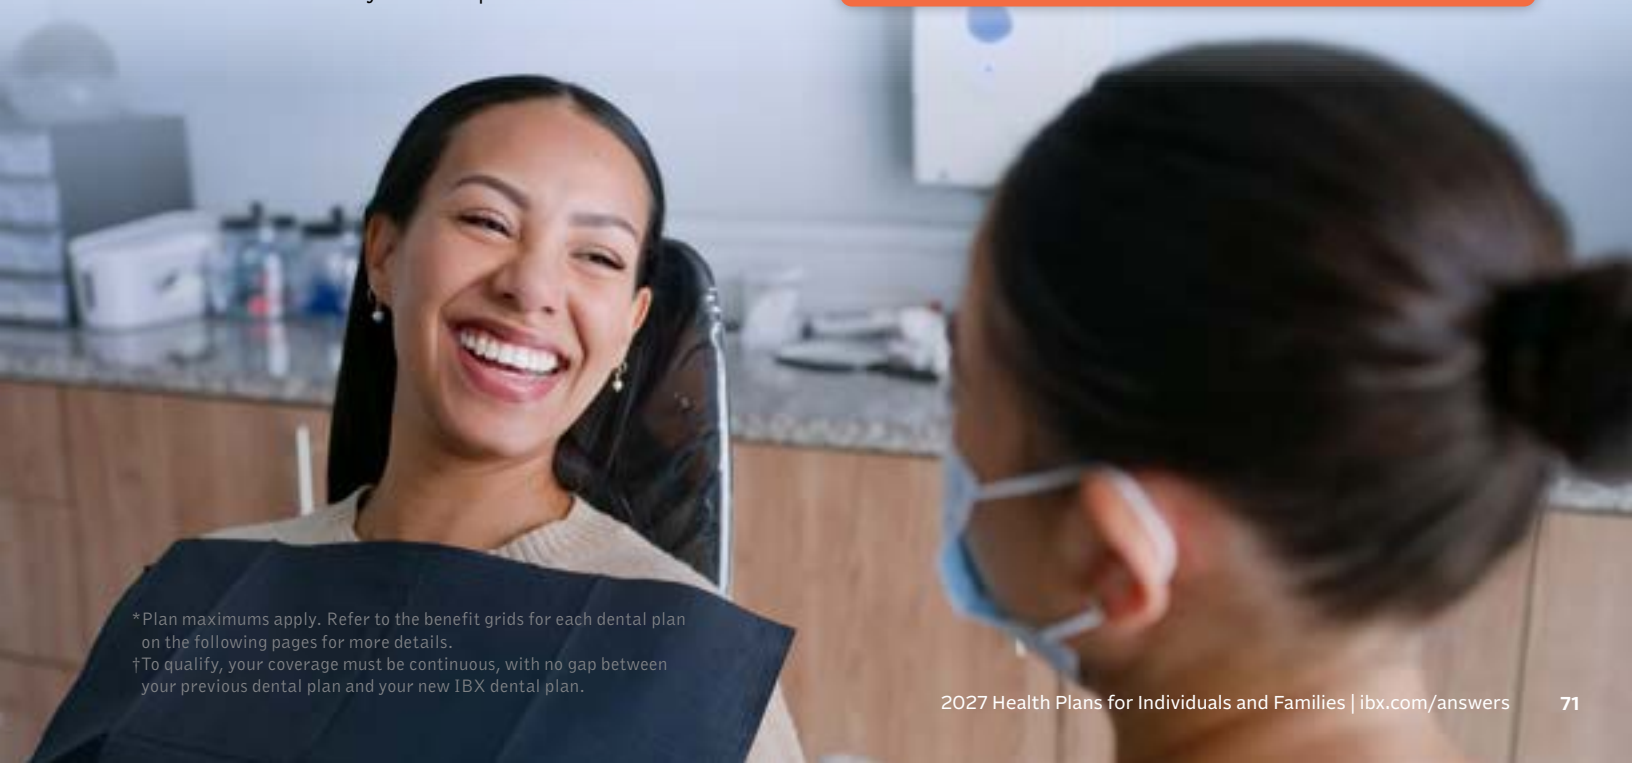

Rewards for getting preventive care

The primary subscriber will receive $20 for each insured family member who gets two cleanings from an in-network dentist in the plan year. For example, for a family of four, the primary subscriber would receive $80 if each family member gets two cleanings that meet the criteria.

How to apply

There are several ways to enroll in an adult dental plan:

- Visit **ibx.com/enrolldental**.
- Call to speak with one of our licensed sales agents at **1-844-762-2140 (TTY: 711)**.
- Stop by Independence LIVE on the 2nd floor of 1919 Market Street in Philadelphia for help from a licensed sales agent. Monday – Friday, 8 a.m. – 4 p.m.

*Plan maximums apply. Refer to the benefit grids for each dental plan on the following pages for more details.
†To qualify, your coverage must be continuous, with no gap between your previous dental plan and your new IBX dental plan.

Choose your dental plan

Refer to the benefit overviews to learn more about our 2027 adult and family dental plans. These plans are available for adults ages 19 and older and families with children up to age 26.

Vision plans

Regular eye exams can help protect your vision and spot health issues early. Stand-alone vision plans are available for adults and families.

Learn more about our vision plans

Here are the comprehensive benefits you can expect from Independence Blue Cross (IBX) vision plans.

A network that goes the distance

The national Davis Vision® network offers 222,000 access points across the country, including Visionworks®, Target Optical, Pearle Vision, Warby Parker, and LensCrafters.*

222,000 access points in the Davis Vision provider network

Fully covered routine annual eye exam

When you see an in-network provider, there is no copay.

Affordable options for frames and lenses

Choose from stylish designer frames in the Davis Vision Exclusive Collection. Or use your benefit allowance to choose frames or contact lenses from in-network independent providers and retailers nationwide.

Note: You get a higher frame allowance and discounts on lens options at hundreds of preferred sites nationwide.

Fixed fee pricing on all cosmetic lens options

Your options include a wide variety of state-of-the-art lens types and lens styles.

Discounts on other services

Take advantage of discounts on other services, such as laser eye correction through the QualSight network of LASIK eye care professionals. You can also save on hearing exams and name-brand hearing aid technology from Your Hearing Network.

* For these plans, visit limits are combined for office and virtual care.

1 Certain plan benefits may be enhanced to comply with health care reform law/regulations. Eligible dependent children are covered to age 26.

2 Embedded deductible/Out-of-pocket maximum: Family deductible and out-of-pocket maximum apply when more than one person is covered under a plan. A covered family member only needs to satisfy his or her individual deductible before receiving plan benefits. Once the family deductible is met, all covered family members will receive plan benefits. A covered family member only needs to satisfy his or her out-of-pocket maximum before that individual's benefits are covered in full. Once the family out-of-pocket maximum is met, all covered family members' benefits will be covered in full.

3 There are no out-of-network services available except for emergency services.

4 Out-of-network providers may bill you for differences between the Plan allowance, which is the amount paid by Independence Blue Cross, and the actual charge of the provider. This amount may be significant. Claims payments for out-of-network providers are based on the lesser of the Medicare Allowable Payment or the actual charge of the provider. For covered services that are not recognized or reimbursed by Medicare, payment is based on the lesser of the Independence Blue Cross applicable proprietary fee schedule or the actual charge of the provider. For covered services not recognized or reimbursed by Medicare or Independence Blue Cross's fee schedule, the amount is based on 50 percent of the actual charge of the provider with the exception of inpatient facility services. For inpatient facility covered services not recognized or reimbursed by Medicare or Independence Blue Cross's fee schedule, the amount is determined by Independence Blue Cross's fee schedule for the closest analogous covered service.

5 Age and frequency schedules may apply. In order to get a preventive colonoscopy without having to pay any out-of-pocket costs, you must choose Preventive Plus providers and GI professionals (gastroenterologists or colon and rectal surgeons) that are not hospital-based to perform the preventive colonoscopy. To find a Preventive Plus provider, visit ibx.com/findadoctor. Enter your ZIP code where it says Location, and then select the tile labeled "Preventive Plus – Preventive+ Colonoscopy" under the main search section.

6 For PPO plans, visit limits are combined in- and out-of-network.

7 Amount shown reflects the copay per day. There is a maximum of five copays per admission.

Keystone HMO Proactive

8 For all Keystone HMO Proactive plans, the deductible is combined for Tiers 2 and 3.

9 For all Keystone HMO Proactive plans, the out-of-pocket maximum for Tiers 1, 2, and 3 is combined.

10 If a member is admitted to an in-network hospital from the emergency room, the cost-sharing for inpatient hospital care, including medical care provided by an in-network professional provider, will apply based on the tier level of the in-network hospital or in-network professional provider. If a member is admitted to an out-of-network hospital following an emergency room admission, the Tier 3 – Standard level of benefits will apply. For non-emergency care, members must use in-network providers.

11 For all Keystone HMO Proactive plans, all in-network retail clinics are assigned to Tier 1, with the exception of Walgreen's Health Clinic, which is assigned to Tier 3.

Prescription drugs

12 Our prescription drug plans are administered by an independent pharmacy benefits management (PBM) company.

13 No cost-sharing is required at in-network retail and mail order/home delivery pharmacies for certain preventive drugs (prescription and over-the-counter drugs with a doctor's prescription).

14 Out-of-network benefits apply to prescriptions filled at out-of-network pharmacies, and the member must pay the full retail price for their prescription and then file a claim for reimbursement. The member should refer to their benefit booklet to determine the out-of-network coverage for their plan.

15 This plan uses the Preferred Pharmacy network, with more than 57,000 pharmacies nationwide. If you have the Preferred Pharmacy network and fill a prescription at an out-of-network pharmacy, such as Walgreens, you will need to pay the up-front total cost at the pharmacy. You can then submit a claim, and you may be reimbursed for part of the cost.

16 When a prescription drug is not available in a generic form, benefits will be provided for the brand drug and the member will be responsible for the cost-sharing for a brand drug. When a prescription drug is available in a generic form, benefits will be provided for that drug at the generic drug level only. If the member purchases a brand drug, the member will be responsible for paying the dispensing pharmacy the difference between the negotiated discount price for the generic drug and the brand drug plus the appropriate cost-sharing for a brand drug.

† Embedded deductible/Out-of-pocket maximum: Family deductible and out-of-pocket maximum apply when an individual and one or more dependents are enrolled. Once an individual meets the individual deductible amount, claims for that individual will pay. Once the family deductible is met, claims for all individuals will pay. Once an individual meets the individual out of-pocket maximum, benefits for that individual are covered in full. Once the family out-of-pocket maximum is met, benefits for all family members are covered in full. Individual deductible and out-of-pocket maximum apply when an individual is enrolled without dependents.

Additional benefits

17 Independence Blue Cross vision plans are administered by Davis Vision, an independent company.

18 Pediatric vision benefits expire at the end of the month in which the child turns 19.

19 One eye exam per calendar year period.

20 Pediatric spectacle lenses covered at no extra cost include: single vision, lined bifocal, lined trifocal, or lenticular lenses. For frames to be covered in full, choose from Davis Vision's Pediatric Frame Selection (available at most independent in-network providers). Davis Vision Contact Lenses Collection is covered in full at in-network independent providers.

21 Independence Blue Cross dental plans are underwritten by QCC Insurance Company and Independence Dental Benefits are administered by Dominion Dental Services, Inc., an independent company.

22 Pediatric dental benefits are covered until the end of the calendar year in which the child turns 19.

23 One exam and one cleaning are covered every six months per calendar year.

24 Only medically necessary orthodontia is covered.

25 Virtual care from a designated virtual provider includes telemedicine, teledermatology, and telebehavioral health services offered through our virtual care provider, Teladoc Health, an independent company.

26 With the Adult Dental Premier plan IBX PPO 100/50/30/0 $1,000 (MAC) and IBX Active PPO 100/80/50/50 $1,500 (MAC), certain preventive services are not deducted from the annual benefit maximum. Please refer to your policy for additional details.

27 Discount is not available at Walmart, Sam's Club, and Costco.

28 Enhanced frame allowance is available at preferred sites.

29 There is no deductible for orthodontia.

Important plan information

Your health insurance policy may not cover all your health care expenses. Read your member handbook carefully to determine which health care services are covered.

Benefits that require preapproval

When you need services that require preapproval, your physician or provider contacts the Independence Blue Cross Clinical Services team and provides information to support the request for services. For PPO members using a BlueCard® PPO or out-of-network provider, the member is responsible for contacting Clinical Services directly for any required approvals. For EPO members using a BlueCard® PPO provider, the member is responsible for contacting Clinical Services directly for any required approvals. The Clinical Services team, made up of physicians and nurses, evaluates the proposed plan of care for payment of benefits. The Clinical Services team notifies your physician/provider if the services are approved for coverage. If the Clinical Services team does not have sufficient information or the information evaluated does not support coverage, you and your physician/provider are notified in writing of the decision. Members and providers acting on behalf of a member may appeal the decision. At any time during the evaluation process or the appeal, the provider or member may provide additional information to support the request.

For a list of services that require preapproval, visit **ibx.com/importantinfo**.

Inpatient hospital stays

During and after an approved hospital stay, our Care Management and Coordination team monitors your stay. The team reviews whether you are receiving medically appropriate care, sees that a plan for your discharge is in place, and coordinates services that may be needed following discharge.

Utilization review

In order to make coverage determinations regarding the medical necessity and appropriateness of requested services, we use medical guidelines based on clinically credible evidence. This is called utilization review. Utilization review can be done before a service is performed (preapproval/precertification/preservice); during a hospital stay (concurrent review); or after services have been performed (retrospective/post-service review). Independence Blue Cross follows applicable state/federal standards pertaining to how and when these reviews are performed.

Continuity of care

Continuity of care policy applies to HMO plans only.

Terminated providers

Independence Blue Cross offers members continuation of coverage for an ongoing course of treatment with a terminated provider (for reasons other than cause) for up to 90 days from the date that we notified the member of the provider termination. We will cover such continuing treatment under the same terms and conditions as if the treatment was being received from in-network providers.

If a member is in the second or third trimester of pregnancy at the time of the termination, the member is covered for the entire pregnancy and continued through the six-week postpartum period. All authorized health care services provided during this transitional period would be covered by Independence Blue Cross under the same terms and conditions applicable for in-network health care providers.

The out-of-network provider must agree that all authorized health care services provided during this transitional period would be covered by Independence Blue Cross under the same terms and conditions applicable for in-network health care providers. The plan is not required to provide health care services that are not covered benefits.

In order to initiate continuity of care, members must complete a Continuity of Care form and submit it to our Care Management and Coordination department. The form is available through Customer Service and **ibx.com**.

Emergency services

An emergency is defined as the sudden and unexpected onset of a medical condition manifesting itself in acute symptoms of sufficient severity or severe pain that a prudent layperson who possesses an average knowledge of health and medicine could reasonably expect the absence of immediate medical attention to result in any of the following:

- Placing the member's health or, in the case of a pregnant member, the health of the unborn child in jeopardy
- Serious impairment to bodily functions
- Dysfunction of any bodily organ or part

Emergency care includes covered services provided to a member in an emergency, including emergency transportation and related emergency services provided by a licensed ambulance service.

Complaints and grievances

You have a right to appeal any adverse decision through the Complaints and Grievances Process. Instructions for the appeal will be described in the denial notifications and in the contract.

Privacy policy

Protecting your privacy is very important to us. That is why we have taken numerous steps to see that your Protected Health Information (PHI) is kept confidential. PHI is individually identifiable health information about you. This information may be in oral, written, or electronic form. Independence Blue Cross may obtain or create your PHI while conducting our business of providing you with health care benefits. To view information and documentation related to privacy and HIPAA (the Health Insurance Portability and Accountability Act of 1996), visit **ibx.com/privacy** or call us at the Customer Service number on the back of your member ID card.

Independence Blue Cross has implemented policies and procedures regarding the collection, use, and release or disclosure of PHI by and within our organization. We continually review our policies and monitor our business processes to make sure that your information is protected while assuring that the information is available as needed for the provision of health care services. For detailed information on our privacy policy, visit **ibx.com/importantinfo**.

Prescription drug guidelines

Our prescription drug plans are designed to provide you with safe and affordable access to covered medications. We support a number of procedures to ensure safe prescribing, including:

- **Prior authorization** — This means that you may need additional approval from your health plan. Certain covered drugs require prior authorization to ensure that the drug prescribed is medically necessary and appropriate and is being prescribed according to the U.S. Food and Drug Administration's (FDA) guidelines.
- **Age limits** — The FDA has established specific procedures that govern prescribing practices. These rules are designed to prevent potential harm to patients and ensure that medication is being prescribed according to FDA guidelines. For example, some drugs are approved by the FDA only for individuals ages 14 and older.
- **Quantity limits** — These are designed to allow a sufficient supply of medication based upon FDA-approved maximum daily doses and length of therapy of a particular drug. There are several different types of quantity limits, such as rolling 30-day period, refill too soon, and therapeutic drug class.

To learn more about safe prescribing procedures, see a list of drugs requiring prior authorization, find out what's covered by your plan, or find out how to file a request or appeal, visit **ibx.com/rx** or call **1-866-346-2081 (TTY: 711)**.

Exception process

Your doctor may request coverage for a drug that is not on the formulary after a trial of covered drugs, or if there are medical reasons that you cannot use other covered drugs. Your doctor must submit an exception request that describes your need for the drug that is not covered on the formulary. Your doctor should fax the request to **1-888-671-5285**. If your doctor does not receive a response in two business days, please call **1-888-678-7012**.

If the exception request is approved, the drug will be covered at the highest cost-sharing as listed in your benefits. Certain limits, such as quantity limits and age limits, will still apply. If the request is denied, you and your doctor will receive a denial letter. The letter will explain how to file an appeal, if you wish to appeal the decision.

Prescription drug program information

A pharmacy benefits management (PBM) company administers our prescription drug benefits and is responsible for providing a network of pharmacies and processing pharmacy claims. The PBM also negotiates price discounts with pharmaceutical manufacturers and provides drug utilization and quality reviews. Price discounts may include rebates from a drug manufacturer based on the volume purchased. Independence Blue Cross anticipates that it will pass on a high percentage of the expected rebates it receives from its PBM to members at point of service. Under most benefits plans, prescription drugs are subject to a member copayment.

Benefits exclusions

The benefits summaries in this brochure represent only a partial listing of benefits and exclusions of the plans. Benefits and exclusions may be further defined by medical policy.

This managed care plan may not cover all your health care expenses. Read your contract carefully to determine which health care services are covered. If you need more information, please call **1-855-640-3454 (TTY: 711)**.

What's not covered under your medical plan?

- Services not medically necessary
- Services or supplies that are experimental or investigative, except routine costs associated with qualifying clinical trials
- Hearing aids, hearing examinations/tests for the prescription/fitting of hearing aids, and cochlear electromagnetic hearing devices
- Assisted fertilization techniques, such as in vitro fertilization, GIFT, and ZIFT
- Reversal of voluntary sterilization
- Alternative therapies, such as acupuncture
- Adult dental care, including dental implants or dentures, and nonsurgical treatment of temporomandibular joint syndrome (TMJ)
- Bariatric or obesity surgery
- Routine foot care, except for medically necessary treatment of peripheral vascular disease and/or peripheral neuropathic disease including, but not limited to, diabetes
- Foot orthotics, except for orthotics and podiatric appliances required for the prevention of complications associated with diabetes
- Routine physical exams for nonpreventive purposes, such as insurance or employment applications, college, or premarital examinations
- Immunizations for travel or employment
- Services or supplies payable under workers' compensation, motor vehicle insurance, or other legislation of similar purpose
- Cosmetic services/supplies
- Outpatient services that are not performed by your primary care physician's designated provider for HMO plans
- Private duty nursing
- Self-injectable drugs, which are excluded under medical programs (however, they are covered under the prescription drug benefit)
- Adult routine eye care
- Pleoptic/orthoptic training

Note: Eligible dependent children are generally covered up to age 26. See contract for additional details. To obtain complete copies of these policies by mail, please call **1-855-640-3454 (TTY: 711)**.

Discrimination Is Against the Law

This plan complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. This plan does not exclude people or treat them less favorably because of race, color, national origin, age, disability, or sex.

This plan:

- Provides people with disabilities reasonable modifications and free appropriate auxiliary aids and services to communicate effectively with us, such as:
  - Qualified sign language interpreters
  - Written information in other formats (large print, audio, accessible electronic formats, other formats).
- Provides free language assistance services to people whose primary language is not English, which may include:
  - Qualified interpreters
  - Information written in other languages.

If you need reasonable modifications, appropriate auxiliary aids and services, or language assistance services, contact our Civil Rights Coordinator.

If you believe that this Plan has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance with: our Civil Rights Coordinator, in person or by mail: 1901 Market Street, Philadelphia, PA 19103, by phone: 1-888-377-3933 (TTY: 711), by fax: 215-761-0245, or by email: **civilrightscoordinator@1901market.com**.

You can file a grievance in person or by mail, fax, or email. If you need help filing a grievance, our Civil Rights Coordinator is available to help you.

Glossary

Coinsurance – The percentage you pay for some covered services. If your coinsurance is 20 percent, your health insurance company will pay 80 percent of the cost of covered services; you will pay the remaining 20 percent.

Copay – The flat fee you pay when you see a doctor or receive other services. For example, your health plan may have a $20 copay to see a doctor.

Cost-sharing – Also known as out-of-pocket costs, this is the money you pay in the form of a copay, deductible, or coinsurance when you receive care. This is separate from the monthly premium you pay to be a member of the health plan.

Deductible – The amount you pay each year before your health plan starts paying for covered services. For example, if your plan has a $1,000 deductible, you will need to pay the first $1,000 of the costs for the health care services you receive. Once you have paid this amount, your insurance will begin to pay a portion or all of your health care costs, depending on the health plan. A deductible may apply only for certain services depending on the health plan.

EPO – One type of health plan. EPO stands for Exclusive Provider Organization.

Health savings account (HSA) – An HSA is a type of savings account that allows you to set aside money on a pre-tax basis to pay for qualified healthcare expenses.

HMO – One type of health plan. HMO stands for Health Maintenance Organization.

In-network – The doctors, hospitals, labs, and other health care providers that have a contract with Independence Blue Cross to deliver services to members. They usually charge discounted rates for their services. To keep it simple, we'll just refer to them as doctors and hospitals throughout this brochure.

Out-of-network – The doctors, hospitals, labs, and other health care providers that do not have a contract with Independence Blue Cross. Certain health plans do not cover services from out-of-network providers (e.g., HMO and EPO plans) except when it's an emergency. Members who have out-of-network coverage (e.g., PPO members) typically pay more for services from out-of-network providers.

Out-of-pocket maximum – An out-of-pocket maximum is the most you will have to pay for your health care expenses during a plan period (usually a year) for covered services received from in-network providers. No matter what, you will not pay more than this amount each year. Any care for covered services you get after you meet your out-of-pocket maximum will be fully covered. Monthly premiums do not count towards your out-of-pocket maximum.

PPO – One type of health plan. PPO stands for Preferred Provider Organization.

Premium – Also known as a monthly rate, this is the money you pay to your insurance company each month to have health insurance. This is separate from the copays, deductibles, and coinsurance you pay when you receive care.

Preventive care – The care and counseling you receive to prevent health problems. Preventive care is one of the best ways to keep you and your family in good health and may detect some diseases in the early stages. Some examples of preventive care are annual checkups, flu shots, mammograms, colonoscopies, and cholesterol tests.

Primary care physician (PCP) – Another term for your family doctor. HMO health plans require you to select a PCP.

Referral – If you have an HMO plan, your primary care physician will need to provide you with a referral before you see other in-network providers and most specialists, such as a heart doctor (cardiologist).

Specialist – A specialist provides care for certain conditions in addition to the treatment provided by your primary care physician. For example, you may need to see an allergist for allergies or an orthopedic surgeon for a knee injury.

Tax credit (subsidy) – Financial assistance from the government to help pay for your health insurance costs.

Coverage for American Indians/Alaskan Natives

Are you an American Indian or Alaskan Native?

If you're a member of a federally recognized tribe, you are eligible for Gold, Silver, and Bronze plans with similar or no cost-sharing based on whether your household income is more or less than 300% of the Federal Poverty Level (FPL).

Less than 300% FPL plan options

You can choose from any of the Standard plan options on pages 19 – 42, but you will have $0 cost-sharing for all covered services. You may also qualify for a premium tax credit (subsidy).

More than 300% FPL plan options

You can choose from any of the Standard plan options on pages 19 – 42 and you will pay the cost-sharing amounts listed, but you will have $0 cost-sharing if you receive care for any essential health benefits that are referred by or received directly from the HIS, Indian Tribe, Tribal Organization, or Urban Indian Organization. You may also qualify for a premium tax credit.

Family size	Household income	
	Less than 300% FPL	More than 300% FPL
Single	$47,879.99	$47,880.00
Family of 2	$64,919.99	$64,920.00
Family of 3	$81,959.99	$81,960.00
Family of 4	$98,999.99	$99,000.00
Family of 5	$116,039.99	$116,040.00
Family of 6	$133,079.99	$133,080.00
Family of 7	$150,119.99	$150,120.00
Family of 8*	$167,159.99	$167,160.00

* For more than eight, add this amount for each additional person: $17,040. Based on source: https://aspe.hhs.gov/poverty-guidelines

This chart is intended to give you an idea if you will be eligible for help in paying your health insurance costs depending on your income and household size. Final eligibility determinations and the actual amount of your tax credit will be determined by the federal government.

How can you buy individual and family plans?

There are two ways to purchase an individual or family health plan. Use the information below to figure out which option is best for you. Need help determining your eligibility? Call us at 1-855-640-3454.

Pennsylvania Insurance Exchange (Pennie)

The Pennsylvania Insurance Exchange, called Pennie, is operated by the Commonwealth of Pennsylvania. When you enroll in a health plan through Pennie, financial assistance may be available if you qualify. Sometimes called a tax credit or subsidy, financial assistance helps those who qualify pay for health insurance costs.

You may qualify for:

- Lower monthly premiums[1]
- Lower monthly premiums and lower out-of-pocket costs when you receive care[2]

1 Choose from any of the Standard plans at the Gold, Silver, or Bronze levels. Even if you do not qualify for a tax credit, you can choose any one of these plans.

2 You must select a Silver Cost-sharing Reduction plan, which offers lower deductibles, copays, and coinsurance. If you do not select a Silver Cost-sharing Reduction plan, you may still be able to get help paying your monthly premium, but you will not be able to get help in paying your deductibles, copays, and coinsurance.

3 For more than eight, add this amount for each additional person: $5,500. Source: ASPE HHS, https://aspe.hhs.gov/poverty-guidelines
